Doggie Daycare Rules

- We will need you to fill out one of our behavior questionnaires. This allows us to find out more information about your dog(s).
- All dogs must be up to date on all their vaccines to enter our daycare facilities (*DHLPP, Rabies and Bordetella*.) **We also require proof of a clean fecal exam every 6 months. If we do not have** proof of up to date vaccines/ clean fecal exam, we will not accept your dog into our facility until records are delivered.
 - If your dog's fecal exam results come back positive for *any* internal parasites (i.e. any worms, coccidia, or Giardia) they will not be allowed to attend daycare until they complete treatment and you bring proof of a clean fecal exam to us.
- If your dog is showing any signs of illness, contagious or otherwise, please do not bring him/her to daycare.
- Your dog(s) will need to **schedule** a one on one interview with our staff to see if your dog(s) are eligible for daycare.
 - Your dog(s) will then be tested to see how well he/she interacts with the other dogs.
 - This will determine whether or not your dog(s) can participate in our Doggie Daycare. Not all dogs will pass the initial evaluation; this is at our discretion for the safety and well-being of both your dog as well as the other dogs; daycare is not always a suitable environment for some dogs, and passing the evaluation does not guarantee your dog will be permitted to attend daycare if his/her behavior changes.
- For the safety of the other dogs, we cannot accept an aggressive dog. If your dog begins to exhibit aggressive behavior towards the staff or other dogs while at our Daycare, we will have to put your dog(s) in a time-out and inform you about the incident. If he/she continues the behavior, he/she will not be able to come back.
- If you wish for your dog(s) to be fed while here, you must bring your own food. We can offer them treats throughout their stay upon your request.
- You are not allowed to bring your dog's favorite toys or things to daycare, and we will provide comfy beds and blankets for them to lie on.
- At this point we do not require reservations for daycare attendance. We will notify our clients if this policy changes.
 - (In the case that reservations become a requirement) should your plans change and you will not be dropping your dog(s) off at our daycare we ask for a 48 hour advance notice. After the third "No Show" you will lose your spot.
